ALVIN K. HELLERSTEIN, U.S.D.J.:

On February 11, 2008, I signed an Order of Final Judgment approving a settlement in Turcios v. AMR Corporation, et al., 03 Civ. 6968. At the time that I signed the order, I believed that the order closed the case in its entirety. However, on September 2, 2008, I received a second proposed Order of Final Judgment, purporting to settle the action against a separate set of defendants.

This Court is not in the practice of approving settlements piecemeal. Counsel for plaintiff is required to show, by September 19, 2008, if any claims remain outstanding against nonsettling defendants, and justify to the Court's satisfaction why the Court should approve a second Order of Final Judgment.

SO ORDERED.
